NOTE: Only records and performances that have been approved through the proper process are included in the National High School Sports Record Book. For a record or performance to be published in the record book, the application form must be completed and approved by the home state athletic/activity association. Forms can be obtained through the state associations or the National Federation. Candidates are encouraged to make application promptly after an outstanding performance.

The National Records Committee has set forth a number of criteria that must be met to ensure that only worthy individuals or teams are included in the record book. Individuals should contact their state association or the National Federation regarding policies.

All listings in the 1991 National High School Sports Record Book are through the 1989-90 school year. Applications for the 1992 book must be received by April 1, 1991 in the following sports (football, cross country, field hockey and volleyball); May 1, 1991 (basketball, wrestling, ice hockey, soccer and gymnastics) and by August 1, 1991 (track and field, baseball, softball, golf, tennis and swimming). The listing of schools in the record book includes the city, the name of the high school and the state. In cases where the city and the name of the high school are the same, just the city and state are listed. (Example: Chicago Brother Rice, IL, refers to Brother Rice High School in Chicago, Illinois. El Segundo, CA, refers to El Segundo High School in El Segundo, California.)

If sufficient material is available, the current top 10 performances in specific categories are listed. If fewer than 10 are listed, additional information is not available.

Major stockholder in the prep record book

Dave Clyde was a prep phenomenon. He was once listed in 14 separate categories in the **National High School Sports Record Book** and his name still permeates the pitching categories.

Clyde is listed among the pitching leaders in 10 categories and heads the national listing in five departments. His 842 career strikeouts are 113 ahead of No. 2 **Allen Rath** of **Riverside Highland, IA,** and he is the only hurler in prep history to register over 300 strikeouts in a season.

Clyde's true dominance is shown in the number of times he is repeated. The **Houston Westchester, TX,** star is the only prep hurler to be listed twice for most shutouts in one season son and most consecutive shutouts. His 327 and 251 strikeout totals from 1973 and 1972, respectively, rank first and eighth in the seasonal strikeout category.

No less than 43 times did Clyde strike out 10 or more batters in the 61 games he started. Only four times over the last two years of his career did he allow five or more hits.

Prep baseball's first ace

Few high school performers have ever showcased their talents in as dramatic a fashion as **Ken Beardslee,** pitching great from **Vermontville, MI.**

During his short 25-game high school career he struck out 452 hitters, won 24 of 25 pitching decisions, tossed eight no-hitters and two perfect games. His lone setback was also a demonstration of pitching brilliance as he dropped a 1-0 verdict his senior year.

The Michigan strikeout artist averaged better than 18 strikeouts a game and in 1949 averaged over 19 whiffs a game, striking out 209 in only 11 contests. He once set down 25 hitters on strikes in a 10-inning triumph over Holt. Another of his top strikeout performances came in a one-hitter when he registered 20 K's against Saranac and in a no-hit effort against Potterville he chalked up 19 strikeouts.

The prep standout went on to sign for $6,000 with the **New York Yankees** in 1949. The aspiring young pitcher was one step from the big leagues when a back injury in the International League prematurely halted his career. His record in the Yankees' minor league chain was an impressive 62-24, including a 32-8 standard over his final two seasons.

When his playing days ended, Beardslee continued to lend talents to the game of baseball by conducting camps in Indiana and scouting for the **Pittsburgh Pirates** for nearly 20 years. Among the talents he came up with for the Pirates was **Dave Parker,** power-hitting outfielder who paced Pittsburgh to a world championship in 1979.

***ALMOST POINTLESS** — The 1928-29 **Alliance, OH,** basketball team left a touch of history for the state when it played rival **Massillon, OH,** in February 1929. **Jim Battin** (third from left, front row) scored the only field goal of the contest in a 3-2 victory over Massillon. Battin's field goal, a halfcourt desperation shot, was Alliance's only attempted field goal of the contest.*

***SCORING TRADITION** — **Hobbs, NM,** and coach **Ralph Tasker** have become basketball legends in the Southwest. The 1969-70 team (pictured above) averaged nearly 115 points a game in rolling to a 26-1 record and capturing the state class AAAA title. Five of Tasker's editions rank among the nation's most prolific scoring teams and the 1969-70 edition put together 14 straight 100-point showings.*

A WIN IS A WIN *— The 1929* ***Magnolia, IL,*** *basketball team pictured above defeated* ***Granville Hopkins, IL,*** *1-0, on November 20, 1929, which ties the record for fewest points scored by both teams in a regulation game.*

He scored 100 points in one game during the 1969-70 season on the way to leading Ebarb to a Louisiana Class C (small school) state title. **Bruce Williams** (right) scored 1,851 points during the 1979-80 season at **Florien, LA,** to bring his four-year total to 5,367 — second best ever. He scored 836 points as a freshman, 1,181 points as a sophomore and 1,499 points as a junior. His 126 points as an eighth grader substituting on the varsity are not included in his career total of 5,367 points.*

***ILLUSTRIOUS PATH — Bill Bradley** (above left) during the glory years of the New York Knicks of the '70s. Today (above right) the former Rhodes Scholar serves the nation as a United States senator.*

From little Crystal City to Congress

From a small city in Missouri to one of the highest-[illegible] offices in the nation's government, United States Senator **Bill Bradley** (D-New Jersey) has pounded a few roads to get where he is today.

Bradley was born and raised in **Crystal City,** where he scored 3,068 points in his four-year high school career. Spanning 1958-61, Bradley scored at a 27.4 points-per-game clip through his 112-game high school stint. Playing for coach **Arvel Popp's** Hornets, Bradley amassed 404 points his freshman season, 672 as a sophomore, 946 as a junior, and closed out his sparkling career with 1,046.

Bradley led the Hornets into the final four of the Missouri state tournament three times but the elusive title escaped Crystal City all three years. The Hornets finished fourth in his sophomore year, third when he was a junior and lost to St. Louis University in the finals 52-51 his senior year. Crystal City had beaten University previously that same year.

Bradley pumped in 20 or more points in 89 of his 112 high school games. Included were 12 games of 30 or more points, seven of 40 or more, and two of 50 or more.

Born in 1943 to banker Warren Bradley and wife Susan, the senator resided in Crystal City until he enrolled at Princeton University in New Jersey. There Bradley continued to excel on the hardwood and also gained recognition for his classroom achievements as well. He was named to an All-American squad twice and helped the United States team garner a gold medal in the 1964 Olympic Games.

After graduating a Rhodes Scholar in 1965, Bradley went overseas to Oxford for two years before returning home to play for the New York Knicks of the National Basketball Association (NBA). His illustrious 10-year pro career ended in 1977.

***A WINNER — Leslie Gaudet** (left), long-time coach at **Pine Prairie, LA,** collected 1,026 victories - most by a boys high school basketball coach in history. Gaudet posted a career record of 1,026 from 1937 to 1970. He is one of only two boys basketball coaches to ever win more than 1,000 high school games.*

*HEAD MENTORS — **Arthur "King" Trout** (top left) collected 809 victories at **Centralia, IL. Perry, GA**, mentor, **Eric "Fessor" Staples** (top right), posted a career coaching record of 924-198 over 32 years, the sixth-highest total ever by a boys high school basketball coach. **Walter "Buck" VanHuss** (bottom left) the late Tennessee coaching legend paced **Hampton** and **Dobyns Bennett** to 1,021 victories, the second-best all-time mark. **C. E. "Nig" Womack** (bottom right) led **Hawley (TX) High School's** boys team to 896 wins and its girls team to 674 wins before retiring in 1979.*

HOOSIER HYSTERIA — *Indiana's all-time boys high school basketball scorer,* ***Damon Bailey*** *(right) of* ***Bedford North Lawrence,*** *finished his four-year career with 3,134 points and is listed among the all-time boys basketball career scorers. Bailey was at his best in his final high school performance on March 24, 1990, when he led his team to the Indiana state title before a crowd of over 41,000 at the Hoosier Dome (see photo below) in Indianapolis. The high-scoring senior posted a team-high 30 points - including the last 11 points - as Bedford North Lawrence defeated previously unbeaten Concord, 63-60. The attendance at that state final was reportedly the largest ever for a high school basketball game. The* ***National High School Sports Record Book*** *currently does not have such a category. Indiana basketball fans do not have far to go to watch Bailey pursue his basketball career. The prep standout decided to remain a Hoosier and play for Indiana University.*

Continuing in this fine tradition during 1978 was* **Beth Case** *(below) who allowed [illegible] goals during a 17-game regular season for MDV. From the "Sugar Land Express" . . .

Ken Hall

The colorful history of high school football is composed of countless outstanding offensive performers who have taken on legendary status. The impressive list is almost endless — Red Grange, Dike Eddleman, Gale Sayers, Billy Sims, Earl Campbell, Pat Haden, Herschel Walker, and on and on.

One legendary high school football player whose name has dominated the pages of the **National High School Sports Record Book** is tailback **Ken Hall,** of **Sugar Land, TX,** known as the "Sugar Land Express." During his sensational career, Hall established 17 national offensive records which had endured nearly four decades of assault from almost one million high school football players each year. But as the decade of the 1990s was about to unfold, the scoring accomplishments of running back **Brett Law,** of **Sheridan, IN,** would challenge — and in some instances overtake — some of Hall's national records. (Details on opposite page). However, the offensive accomplishments of Hall remain incredible since he seldom saw extensive action in the second half of football games.

Operating out of Sugar Land high school's potent single wing attack, this Texas tailback still retains the distinction of being the only prep player to rush for over 11,000 yards during his career. Hall's total of 11,232 yards is over 2,400 yards more than runner-up Emmitt Smith, of Pensacola Escambia, FL. He also is the all-time national total offense leader, having accumulated 14,558 yards.

Hall is also the first — and only — high school football player to rush for over 4,000 yards in a season as he galloped 4,045 yards in 12 games during his senior campaign in 1953 and averaged 337.1 yards per game, still a national record. A year earlier, in 1952, Hall rushed for 3,458 yards, No. 3 all time.

During his career, Hall recorded 38 100-yards rushing performances — tied for third all time — including 21 consecutive games in which he surpassed the century mark during the 1952 and '53 seasons. His total offensive showing of 5,146 yards in 1953 is a national best and represents an amazing one-man offensive showing of 428.8 yards per contest, another national record.

Hall's finest hour may have come against Houston Lutheran, TX, on October 9, 1953. On only 11 carries that day he rushed for 520 yards, an average of 47.3 yards every time he touched the ball, best in prep history. Hall also returned a kickoff 64 yards, ran back a punt 82 yards and returned an interception 21 yards en route to scoring seven touchdowns. Typically, he played but a few minutes in the second half of the contest.

Following his legendary prep career, Hall played under Paul "Bear" Bryant for three years at Texas A&M and then played professionally with several clubs in the Canadian Football League, the American Football League and the National Football League. He is a member of the **National High School Sports Hall of Fame.**

. . . To the High-Scoring Hoosier

Brett Law

Football running back **Brett Law** was not even born when the "Sugar Land Express" Ken Hall established prep scoring and rushing records. But now this farmer's son is well aware of Hall's records after finishing a prolific scoring career at **Sheridan, IN,** from 1986 to 1989. Not only did Law challenge Hall's longstanding records, the high-scoring Hoosier caught up and eventually passed the Texas legend in some scoring categories.

Law finished his prep career with 952 points — more than 50 points over Hall's all-time mark of 899 points established from 1950 to 1953. Law also found the end zone 141 times to surpass the 127 overall touchdown record held by Hall (and since tied).

The Indiana football standout burst into the **National High School Sports Record Book** when he was a junior in 1988 when he set three single-season national records. And, again, the player ahead of him that he had to pass in two out of three of those records was none other than Ken Hall.

In 1988 Law scored 453 points in 14 football games, an average of 32.4 points per game that ranks second on the all-time chart. Law also scored 66 touchdowns overall — nine more than Hall's previous national best — for an average of 4.7 TDs a game, second on the all-time list. Law's third national record was 55 rushing touchdowns in 1988. To cap off his record-setting 1988 campaign, Law led the Sheridan team to an undefeated season and a second consecutive state title.

CALIFORNIA CROWD PLEASERS — *The favorite receiver of quarterback* ***Pat Haden*** *(left) at* ***La Puente Bishop Amat, CA,*** *was* ***John McKay Jr.*** *(right). Both are shown playing for the University of Southern California where they formed one of collegiate football's top tandems. As high school teammates, Haden and McKay rank as perhaps the most devastating combination in prep football history. As one of the most accurate high school quarterbacks ever, Haden completed 62.0 percent of his passes from 1968 to 1970 and threw for 82 touchdowns. In 1969 Haden set then national standards for both percentage (67.9) and touchdown passes in a season (42) and is one of six prep quarterbacks to toss for more than 7,000 yards and complete 500 or more passes during a career. Haden, a Rhodes Scholar, went on to play for the Los Angeles Rams of the National Football League. As Haden's main target, McKay holds the national record for most touchdown catches in a season (29) and ranks in the top 10 in eight other categories. McKay concluded his prep career with 207 receptions for 3,389 yards and 48 touchdowns. McKay went on to play for his father, John McKay Sr., then head coach of the Tampa Bay Buccaneers of the NFL.*

WINNING COURSE WORK — *The* ***Xavier College Preparatory*** *girls golf team of* ***Phoenix, AZ,*** *holds national marks for all-time most state championships (10) and consecutive golf titles (10) from 1979 to 1989. Pictured above is the 1989 team. During the winning streak, four sets of sisters have won individual state golf titles as well. It all began in 1979 when* ***Heather Farr*** *won the first of three consecutive state golf titles — one of only 19 high school girl golfers to accomplish that feat. Heather won state titles in 1979, 1980 and 1981. The next year, her sister,* ***Missy Farr,*** *won the individual state championship. In 1983* ***Colleen Draeger*** *kept the state individual title at Xavier College Preparatory and so did her sister,* ***Laura Draeger,*** *who won the state championship in 1984. The sister-to-sister connection continued when* ***Paige Gilbert*** *won the individual state title in 1985, and the following year her sister,* ***Heidi Gilbert,*** *became state golf champion. In 1987* ***Lisa Carriell*** *won the state golf title, and in 1988 her sister,* ***Tricia Carriell,*** *followed in her sister's footsteps. The golf coach for all of the aforementioned state champions,* ***Sister Lynn Winsor,*** *credited the sibling winning streak to the fact that in the community families regularly play golf together and the children hone their skills on the golf course.*

Prep stars scoring big in pro ranks

While none of the three-time state champs has made a big hit in professional golf, some of the present PGA stars did enjoy noteworthy success on the high school level. For example —

Jack Nicklaus, considered by many to be the best professional golfer of all time, left his mark not only in the college ranks at Ohio State but also on the high school level while at Columbus **Upper Arlington, Ohio.** The "Golden Bear," winner of virtually every major professional title, led the Golden Bears (believe it or not) to the state championship crown in 1956 while scoring the second lowest 36-hole total in the state's high school championship series. The blond bomber stroked a masterful 144 in pacing Arlington to one of its thirteen championship titles. Nicklaus' 148 in 1957, though good enough for his second championship, wasn't enough for Arlington to overcome Cincinnati St. Xavier.

Tom Kite and **Ben Crenshaw** combined to hold on to the Texas Conference Class AAAA crown for four straight years. Kite, playing for **Austin McCallum,** scored championship rounds in 1967 and '68 before Crenshaw took up the reigns, winning individual titles for rival **Austin High School** in 1969 and '70.

Andy North, the 1978 United States Open champion, captured a pair of high school crowns in Wisconsin. The **Monona** star shot a 152 in winning the 1966 title and a sparkling 143 in garnering the '67 crown.

MEDALISTS — Clarksville, TN, product **Mason Rudolph** (left), another pro to climb the ladder from the high school ranks, won his state's individual honors twice. He captured titles in 1951 and '52, scoring the lowest 54-hole total ever with a 206 in the 1952 event. **Tom Watson** (right), who has won virtually every major championship as a professional, also was a two-time state medalist as a prep. The **Kansas City (MO) Pem-Day** product took individual honors with a 70 in 1966 and then toured 27 holes the following year in 108 strokes.

ALL-TIME GREATS — Touring Professional Golfers Association (PGA) player **Craig Stadler** (left) was an outstanding prep golfer in California long before he burst on the professional scene with a string of major victories in the 1980s. The **La Jolla, California,** graduate shot a blistering 141 total over 36 holes to capture the California Interscholastic Federation Four-Section championship in 1971. PGA legend **Billy Casper** (right) found winning at the prep level almost as much of a challenge as winning at the pro level. Casper, while attending **Chula Vista High School** in California, won the CIF-Southern Section championship only once in three tries. The 1949 champ, winner of a sudden-death playoff, finished second his other two attempts.

*OUTSTANDING IN THEIR FIELD — **Mark Keymont** (left) and **Tim Borer** (right) both of **Orlando Bishop Moore, FL,** were two top high school soccer players who reached national prominence at a school that played 70 consecutive games without being shutout — third all time. Keymont ranks ranks among the most prolific scorers in prep history holding down the seventh-place spot in most goals scored in a career with 144 from 1979 to 1982. Keymont also ranks fifth on the all-time list for most goals scored in a season with 61 in 1982. While Keymont was specializing in offense, Borer handled the defensive tasks for Bishop Moore High School. He concluded his career with 40 shutouts which is the fifth-best total ever. He also registered 15 shutouts in his junior year.*

PITCHING MASTERY — Michele Broussard *(top photo) of* **Vandebilt Catholic, LA,** *and* **Jill Klein** *(bottom photo) of* **Waterford Our Lady of the Lakes, MI,** *finished remarkable high school softball pitching careers. Broussard posted a national record of 88 consecutive wins, led Vandebilt Catholic to 112 consecutive victories — a national record — and four consecutive state titles which ties for third all time. The undefeated righthander finished the 1981 season with a 32-0 record, the third-highest total ever. Klein finished her prep career with 123 wins to establish the all-time record. The Michigan hurler also tops the charts for most shutouts in a career with 65. In 1988, she threw 12 no-hitters to post her third national record and finished the season with 23 shutouts — tied for second-best ever — including 10 consecutive shutouts which ranks seventh all time.*

***MOUND MAGIC — Michele Granger** (left) of **Placentia Valencia, CA,** and **Julie Bolduc** (right) of **Southington, CT,** are among the best prep softball pitchers ever. Granger is the top strikeout artist with 1,635 in her career and 509 strikeouts in the 1987 season — both national records. In a 1986 game, Granger threw 21 consecutive strikeouts to tie the national mark. She is also No. 2 all time with 36 career no-hitters. In 1983, Bolduc had a little mound magic of her own. She went 129.2 innings without allowing an earned run — a national record — and finished the season with 20 shutouts, the fifth-best all time.*

***FLAWLESS** — In 1987 **Shannon Guillen** (left) of **Chicago Heights Marian Catholic, IL,** had one of the most outstanding seasons in high school fast-pitch softball history. In eight contests during the 1987 season when Guillen was on the mound, opposing batters did not get a single hit. The Illinois hurler's eight no-hitters ties her with two other softball pitchers for tenth on the all-time list for most no-hitters in a single season.*

JUST THE RIGHT PITCH — Roxanne Abramouski** (left) of **Grosse Isle, MI,** pitched her way to a 68-8 career record in three years. Abramouski led the Class B Red Devils to the 1977 state championship with an unblemished 31-0 mark, then a national record for most wins in one season and tied for the fourth-best campaign ever.* ***Lynn Schlichting (right) of **Brooklyn Center, MN,** is tied with 12 other softball players who have pitched three consecutive no-hitters which ranks as the eighth best on the all-time list. The right-hander threw her three no-hitters in 1979 and she went on to lead her high school team to a fourth-place finish in the 1979 Minnesota state Class AA softball tournament. Schlichting finished her outstanding prep career with a 38-10 record.

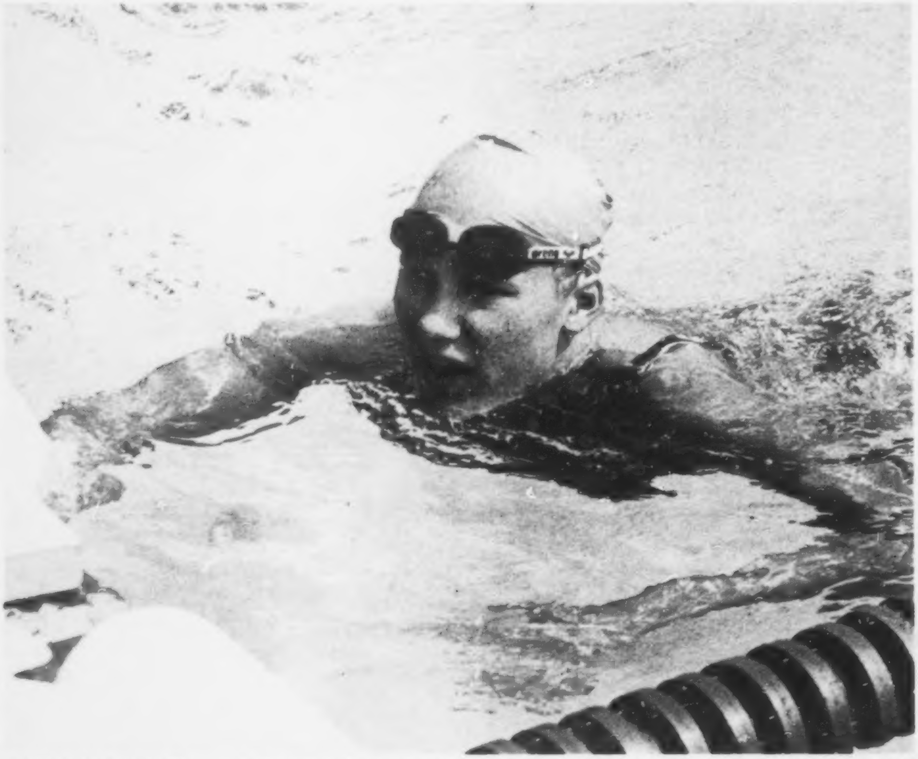
*FLORIDA FLASH — **Nicole Haislett** (left) of **St. Petersburg Lakewood, FL,** swam in the fast lane during the 1989 high school season. The Florida standout, pictured below in action in the water, shattered the national record in the 100-yard freestyle event on November 17, 1989, with a time of 49.66 seconds. Haislett also finished the 1989 season with the best time of the year in the 50-yard freestyle (22.99 seconds) Honor Roll and tied for fourth on the all-time performance list in that event.*



DYNAMIC DUO — During their high school swimming careers, ***Jill Sterkel*** *(above) of* ***Hacienda Heights Wilson, CA,*** *and* ***Kim Rhodenbaugh*** *(left) of* ***Cincinnati Oak Hills, OH,*** *dominating swimming events. Sterkel set four national records in 1979 although none still stand. The Californian is one of four high school girls to swim under 23 seconds in the 50-yard freestyle and also owns times under 50 seconds in the 100-yard freestyle and under 55 seconds in the 100-yard butterfly. Rhodenbaugh became the first high school girl to better 1:03 in the 100-yard breaststroke, registering a then national mark of 1:02.49 in 1982 to shatter Tracy Caulkin's five-year-old standard.*

*IN THE FAST LANE — At the 1990 Colorado state high school boys swimming championships, **Josh Delcore** (left) of **Englewood Cherry Creek** did more than just set a new state record in the 50-yard freestyle event. The Colorado standout shattered a 15-year-old national high school boys record with a time of 20:16 in the event. Delcore's winning time was faster than the 20.19 standard established by Andy Coan, of Ft. Lauderdale Pine Crest in 1975. For his effort, Delcore's name is now atop the Best of the Best, the top 10 Honor Roll Performances of all time listed in the **National High School Sports Record Book** where among those on the list is Matthew Biondi, of Moraga Campolindo, CA, who later competed on the United States Olympic men's squad.*

*In all events where both the metric and British distances are listed together, the Honor Roll is in the metric measure, and the Progression of Records and the National Record are in the British measure. In this case, the national record time for the British distance performance is better than that recorded for the shorter metric distance performance.

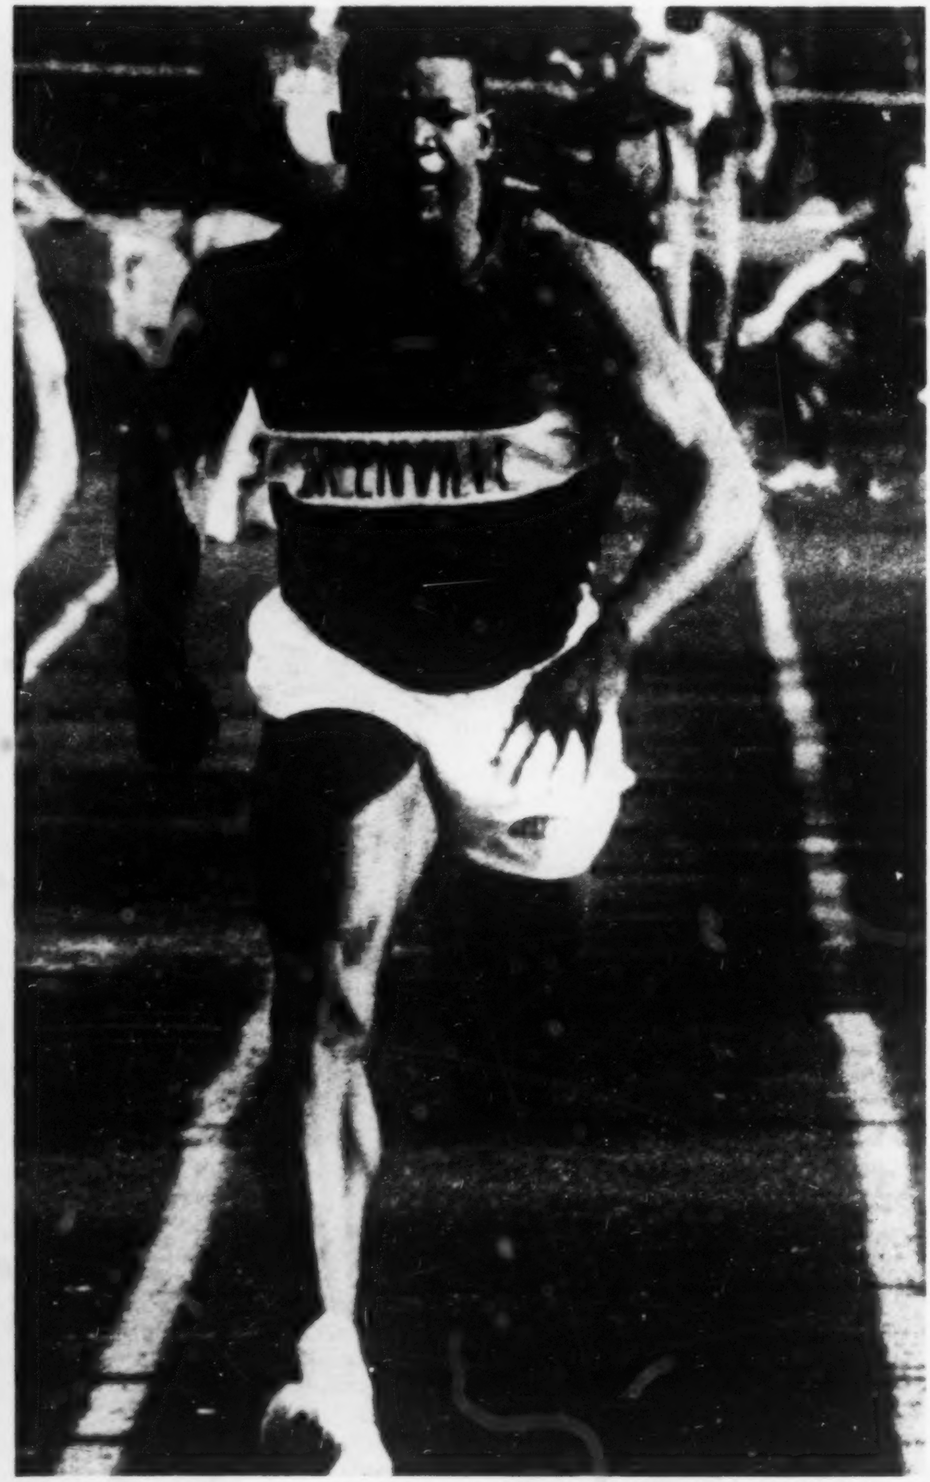
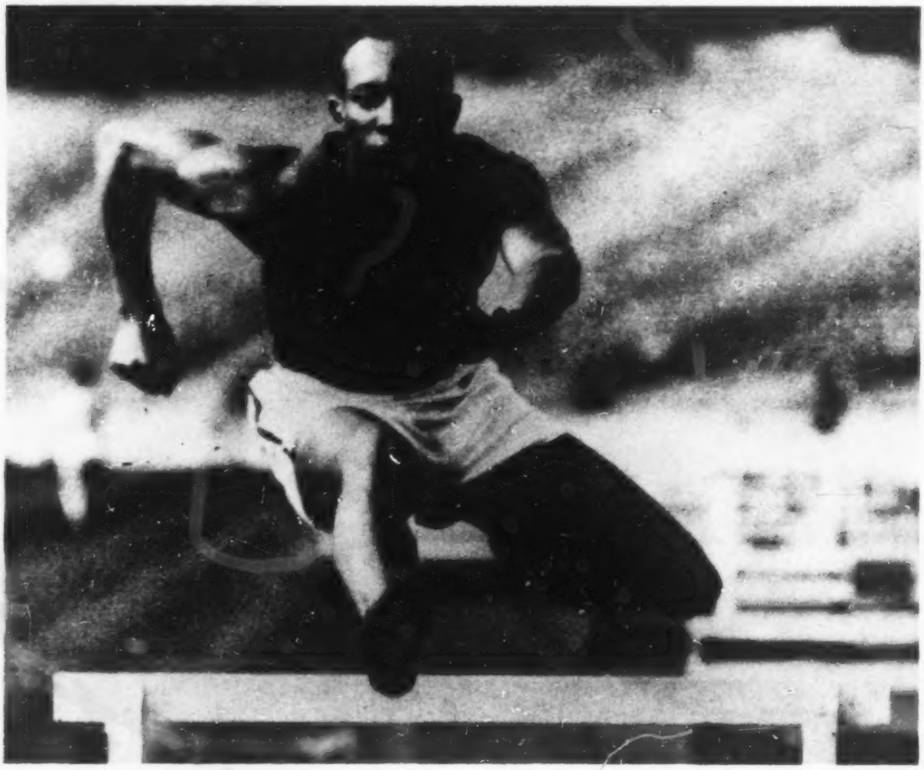
***COACHING LEGEND — Earl F. Quigley** guided **Little Rock** (now Central) to 18 consecutive Arkansas boys state track championships during the 30 years he coached there. At one time, his teams lost only two of 100 track meets. His football teams posted 134 wins, 61 losses and 12 ties (.687 percentage) and won seven state championships. His basketball teams won 306 games against only 95 losses (.763 percentage) and captured six state titles. His baseball teams went 207-37 (.848) and were state champs nine times. His overall coaching record of 760 wins, 190 losses, 11 ties (.791 percentage) and 40 state championships is one of the truly great records in all of sports.*



TEXAS SPEEDSTER — Henry Neal *(above) of* **Greenville, TX,** *shattered the national high school boys record in the 100-meter dash with a time of 9.9 on May 12, 1990. Neal also ran the fastest 200-meter dash of the 1989-90 season with a time of 20.2 seconds.*



LEGENDS — *Two outstanding athletes in the history of track and field, the late* ***Jesse Owens*** *(top photo) and* ***Jim Ryun*** *(left) first gained national prominence as high school track and field standouts. Owens, of* ***Cleveland East Technical, OH,*** *once held three national records, including the 100-yard dash with a time of 9.4 in 1933 — a mark that stood alone for 21 years before it was tied in 1954. Owens would go on to showcase his athletic skills in memorable gold-medal winning performances at the 1936 Olympics in Germany. Ryun, of* ***Wichita East, KS,*** *is holder of one of the oldest high school boys track national records remaining, clocking a 3:58.3 in the mile in 1965. Ryun later became a University of Kansas track standout and, like Owens, became a member of the United States Olympic team. In 1983 both Owens and Ryun were inducted into the* ***National High School Sports Hall of Fame.***

__TOP PERFORMERS — Terry Bradshaw__ (top left), __Renaldo Nehemiah__ (top right), __Michael Carter__ (bottom left) and __Russ Francis__ (bottom right) set national track and field records while in high school and all four later played in the National Football League. Bradshaw, of __Shreveport Woodlawn, LA,__ threw the javelin 244-11 in 1966 to set what then was a national record and later became quarterback for the Pittsburgh Steelers. Nehemiah, of __Scotch Plains Fanwood, NJ,__ is the 110-meter/120-yard high hurdle record holder with a time of 12.9 in 1977. He went on to be a wide receiver for the San Francisco 49ers, the team where Carter now plays nose tackle. At __Dallas Jefferson, TX,__ Carter set the shot put record with a 77-0 heave in 1979. Francis, of __Pleasant Hill, OR,__ like Bradshaw, once held the javelin record with a toss of 254-11 in 1971 and later became a New England Patriots tight end.

TOP RUNNER — In the history of high school boys long-distance running events, ***Steve Prefontaine*** *(left) of* ***Coos Bay Marshfield, OR,*** *earned his place among the best and ran his way into the* ***National High School Sports Record Book.*** *The Oregon standout established the national high school boys record in the two-mile run with a time of 8:41.5 in 1969 — a mark that still stands today. Prefontaine later became a member of the United States Olympic team that competed in the 1972 Olympics in Munich, Germany. During his career, Prefontaine established several American records in events above 2,000 meters. However, in May, 1975, a tragic fatal automobile accident in Eugene, Oregon, ended the aspiring career of this long distance runner.*

PHOTO AND MATERIAL CREDITS

The National Federation and the editor of the *National High School Sports Record Book* would like to sincerely thank all the many people and organizations which have made this book possible. To list everyone who has made a contribution to the *Record Book* would be impossible. Below is a modest attempt to credit photographers, photograph sources, main contributors of information used in photo captions and stories, and the newspapers and sportswriters who have contributed work to the book. To everyone not listed, a sincere apology. Your contribution, no matter how small, was just as important in making the 13th edition a success.

NOTE: Where only the name of the city, school, and state are mentioned, credit is to that high school.

National High School Sports Hall of Fame

The National High School Sports Hall of Fame, which is located at the National Federation office in Kansas City, Missouri, was started in 1982 as a way to honor high school athletes, coaches, officials and others who have made outstanding contributions to interscholastic athletics.

With the addition of 15 inductees in 1990, there now are 121 members of the National High School Sports Hall of Fame. Special plaques containing photographs of all Hall of Fame members are on display at the National Federation.

Twenty-seven Hall of Famers are listed in the National High School Sports Record Book for various accomplishments, including basketball star Bill Bradley; Jim Ryun, who still holds the national high school mile record; Cheryl Miller, who owns the five-girl record for points in one game; track immortal Jesse Owens; Gordon Wood and John McKissick, the winningest football coaches in history, and football star Ken Hall, who owns more records than any individual in the record book.

Anyone can nominate an individual for the Hall of Fame, which culminates each summer with the Induction Ceremony. To obtain nomination forms, contact Bruce Howard, Hall of Fame Director, National Federation, 11724 Plaza Circle, Kansas City, Missouri, 64195.
